**Home School Agreement**

Dear Parents,

Please see attached a copy of our Home School Agreement. We have recently reviewed the way in which we distribute this document. As a result, we have decided that in future it will be sent out on an annual basis to all parents as a means of re-affirming our partnership between home and school.

As a school we feel that the success of our children is dependent on an effective partnership between the school, children and parents. Consequently, we are asking you to read and sign the grid below in support of this partnership. There is also space for your child to sign the agreement if you feel that he/she is old enough to understand the pupil section. Please return this letter to school so it can be kept on file until next year. The agreement leaflet itself is for you to keep at home.

Yours sincerely,

*C Gynn*
