

Year 5 Newsletter

Autumn 1

Friday 7th September 2018

Welcome to Year 5 with Miss Howarth and Mrs Shannon. We are lucky enough to have Mrs Shelley and Miss Caisley working with us to help the children. Our aim is to provide a fun, caring and hard working environment for the children to thrive. We welcome parent helpers and if you would like to help, please arrange this with your child's class teacher.

We are starting our Space topic with an imaginative astronaut training day and launching rockets into space. We will be visiting Leicester Space Centre to finish our exciting topic.

Finally...
If you have any questions please contact your child's class teacher who would be happy to help. This year has started in a positive hard working manner, which we hope will continue.

Thank you
Year 5 teachers

COMING UP...

These are the topics we will be covering in the next few weeks...

English	Recounts around Space and UFO encounters Warning stories and story structure
Maths	Place value, Roman numerals and negative numbers Written and mental + and -
Science/Topic	Space– planets, shadows, seasons, time zones and planets relationship to the sun and moon
Computing	Coding and internet safety

Dates for the Diary

Tuesday 2nd and 4th October-
Parents' evening

Monday 15th October– Trip to
Leicester Space Centre

Friday 19th October– Break up

Monday 29th October-Children return
to school

PE

Year 5 have PE on a Monday and Friday

Please ensure that your child has their indoor and outdoor PE in school and are equipped for the colder weather.

It is very important that all items of your child's PE kit is clearly named.

We would be grateful if any of you could come and hear readers on a Tuesday afternoon. If you are available please see your child's teacher.
