

Year 6 Newsletter

Autumn 2

Friday 16th November 2018

Year 6 have had a very positive start to their final year! Year 6 have flourished with their new responsibilities; house captains, assembly technicians, librarians and digital leaders.

We have had an action packed start to half term with our WW1 day where the children created thought provoking artwork and researched WW1 that they put together into an assembly to share with the rest of the school. We have also had Bikeability where the children been out and about in Brackley learning how to cycle safely on a road!

In Year 6 times tables remain important; these help children to access other maths areas such as simplifying fractions and long multiplication. Daily practise at home will help.

If you have any questions or queries, please do not hesitate to contact us.

COMING UP...

These are the topics we will be covering in the next few weeks...

English	Voiceover for The Piano short animation Newspaper article for Little Red Riding Hood.
Maths	Fractions Geometry—position and direction
Science/Topic	The Human Body; the circulatory system, keeping ourselves healthy and looking at sugar and water in the human body.
Computing	The children will be coding using Kodu to evaluate and create games.
PE	Invasion Games Gymnastics

PE

Year 6 have PE on a Thursday and Friday. Please ensure that your child has their PE kit in school and are equipped for the colder weather. It is very important that all items of your child's PE kit is clearly named.

Dates For Your Diary:

20th November: Tag Rugby
26th November: Assessment Week
14th December: Santa Day
20th December: Class Party

Homework

Spellings – Will go out on Monday and be tested on Friday.

Maths and English – Sat Busters will go out on a Friday and must be handed in on the following Thursday. There is a Year 6 lunchtime homework club that all Year 6 children are welcome to join.
