

Year 2 Newsletter

Spring 1

January 2019

Our New Year topic is all about chocolate. We have so many wows, including a visit to a local chocolate factory and our enterprise project to design and make our own chocolates! We also do a mini Health and Wellbeing and RE topic called Diversity where we look at Martin Luther King as an influential Christian and focus on our similarities and differences.

The children will be designing and making their own chocolates and packaging, after doing some market research, so look out for that homework activity!

COMING UP...

These are the topics we will be covering in the next few weeks...
