

Year 4 Newsletter

Spring 1

January 2019

Welcome back to another fun packed and exciting term.

Our topic this term is 'What's the Matter?', which is very Science based. However, our English will be about the Amazon Rainforest which we shall develop further next term.

PE is on the same days as last term, Monday and Thursday, can you please ensure their outdoor kit is warm.

We are having a focus on Times Tables, where we shall be giving dedicated times through the week. The Cracking times table test will be on a Wednesday this term.

Best wishes

Year 4 Team
