

Year 5 Newsletter

Spring 2

February 2019

It's the start of another busy half term which will be full of exciting things, including our WOW day at the Cotswold Wildlife Park.

Over this term the children will learn sewing skills to create a group talking tapestry about a life cycle they have learnt about in Science.

They will also be creating and performing a dance routine as a year group based on animals. This will be performed to parents in the last week of term. Details to follow.

Finally...
If you have any questions please contact your child's class teacher who would be happy to help.

Year 5 teachers

COMING UP...

These are the topics we will be covering in the next few weeks...

English	Two sided discussion Class novel 'Butterfly Lion'
Maths	Continuing fractions then moving onto decimals and percentages.
Science	Life cycles of animals and their habitats
Topic	All living things
Computing	Coding taught by Mr Sharman.
PE	Dance
Health and Wellbeing	Basic first aid training

PE

Year 5 have PE on a Monday and a Friday

Please ensure that your child has their indoor and outdoor PE kit in school and are equipped for the colder weather.

It is very important that all items of your child's PE kit is clearly named.
