Autumn 1 - Ourselves

September 2020

COMING UP...

These are the topics we will be covering in the next few weeks...

English Funnybones	Writing sentences using capital letters, finger spaces and full stops. Phonics and Reading.
Maths	Place value and numbers to 20. Writing numbers correctly, beginning to write number words
Science/Topic	My body and our amazing senses. Special places and special people.
Computing	Logging into the computers. Staying safe online.
PE Please bring kits to school on Monday	Hand-eye co-ordination. Ball skills—using large and small balls.

Dear Parents and Carers.

Welcome to Year 1! We have an exciting term planned with lots of Pirate fun for the first two weeks and then lots of learning about our senses for the rest of the term.

***Arrival for Year 1 is between 8.40 and 8.50, please try to keep to these times to help us with maintaining a staggered start and distancing from others,**

A few things to remember children need their *water bottles* and book bags (with reading books) every day. We now have fruit provided but children can bring a snack from home—**fruit only please.**

PLEASE make sure everything is named! We already have a number of unnamed items in the classes.

Please pop a spare set of underwear in with your child's PE kit—just in case!

Due to the limited space in the classroom and cloakroom areas please only send your child with their lunchbox and bookbag— there is not room for large backpacks.

Please make sure that children do not have shoe-laces in their PE trainers unless they are able to tie them independently
Thank you

Please keep an eye on the website and emails for upcoming dates. Please also remember that packed lunches should not contain any nut products, chocolate bars or sweets. Thank you.

Do not hesitate to pop in and see a member of the team if you have any questions over these first few weeks. We are looking forward to getting to know you all.

The one single thing that you can do to help your child to make progress is to read with them regularly.
