Autumn 1

September 2020

Welcome to Year 2!

This term the children will be learning about The Great Fire of London and comparing information with what they already know about modern London.

As part of our Design and Technology project we will be making junk model Tudor houses from cereal boxes, using a range of joining techniques.

We would really appreciate it if you could begin to collect empty, medium sized cereal boxes, in good condition, for the week beginning **21st September**.

If you have any questions or queries, please do not hesitate to contact us.

Kind regards,

The Year 2 Team
