

Dear parents/carers

### **Homework expectations – Year 6**

As part of our return to school planning, we made the decision to reduce homework expectations so that children could focus on settling back into school routines first. In recent weeks, year groups have been setting varying amounts depending on age. Year 6 have been gradually increasing the quantity of homework set. This letter is to clarify the expectations now for Year 6 going forwards this year.

In preparation for secondary school and SATS, Year 6 use the KS2 SAT BUSTER books. We use these in different combinations throughout the year to support their learning in school.

All homework set, encourages practise of ongoing skills taught in school and must be completed.

Subject	Day set	Day due in
Spellings	Monday	Friday
Reading Comprehension	Friday	Friday
Grammar	Friday	Friday
Maths	Friday	Friday

Daily tasks:

- Practise spellings until confident and learnt. This may include learning definitions.
- Reading daily.
- Times Table practise

The children's log ins for Purple Mash, Read Theory and Times Table Rock Stars are stuck in the front of their large grammar books.

Thank you for your support. If you have any questions, please contact us.

Kind regards

The Year 6 Team
