

Dear Parents/Carers and Friends of Bracken Leas,

We would like to ask for your help in collecting second hand resources to use in our outdoor area and redeveloped Eco Area. We need to continually update and replenish our equipment in order to create an environment that promotes creativity and exploration. We are looking for a variety of everyday objects to help promote this.

Below is a list of things that we are keen to collect, along with pictures of the kind of things we are looking for. If you have any of these which you no longer need, or can get hold of them for us, please get in touch.

If you are a carpenter or DIY enthusiast and would be able to help us create 2 new mud kitchens, an entrance archway to the Eco Area and other carpentry work we would be forever grateful!

Please email [kbundy@blps.thlt.academy](mailto:kbundy@blps.thlt.academy) if you can help.

Many thanks in advance for your support.

Tree stumps	
Wooden sleepers	
Scaffold boards	

Wooden crates
