

Dear Parents/ Carers,

Smarter for September!

We are excited to announce that we are introducing changes to complement our uniform from this September. We believe as a school that wearing uniform unites us and instils a sense of identity and pride in our school. Following the Ofsted inspection last year, the school is ready to move into a very exciting new chapter of growth as we continue on our journey building excellence. Therefore, we would like all children, as always, to be as smart as possible for school.

From this September, there will be an **optional** Bracken Leas tartan skirt and pinafore dress available to purchase. We are also streamlining the colour of plain skirts and trousers/shorts to **black** (no grey). All logo jumpers will also be V-neck in style and, in the near future, we are hoping to introduce a school tie for children in KS2.

We appreciate that purchasing uniform is expensive and therefore we are allowing for a year of phasing in the new expectations. **If current uniform still fits, this can be worn next year.** However, we ask that all new uniform purchased follows the new uniform expectations. Please see the attached new uniform list, which will be compulsory from September 2022.

The tartan skirt/ pinafore and logo jumpers are available from our usual supplier TKing and can be ordered online too. <http://www.tkingassociates.com/>

Thank you for your support and we look forward to our new look!

Kind regards,

P Harwood
Headteacher
