

Sponsored Warrior Challenge – Friday 28th May 2021

We are delighted to confirm that the Bracken Leas Warrior Challenge is BACK, the 4th year for the event at school. Having missing out last year, we would love to make it the biggest ever event! If you like running around, getting dirty and having masses of fun, then this is the day for you! Your challenge is simple; complete the obstacle course as many times as you can!

What is The Warrior Challenge?

Each year group will complete an obstacle course together. It's not a race – it's a challenge - to see how many times you can complete the circuit in your allocated time slot. You will be running, jumping, balancing, crawling over and under obstacles and hopefully having fun while you are doing it! It isn't compulsory but we would love you all to have a go. The course is even bigger this year! Our marshals will be out in force with their trusty water guns, showing you where to go, making sure you are safe and soaking all while they are at it!

Our Sponsorship Target - £7,000!

This year we have set a **£7,000** Target. The last little push needed to get the adventure playground! With over 400 children in the school, if we averaged at £20 sponsorship per child we can certainly achieve this! We are hoping that this event will make up for missing the big events in 2020 that FOBL are usually able to hold. Please ask family, friends, neighbours and take the form to work, there are so many people to ask.

Inter-House Competition

The House with the most money raised for this event will be able to enjoy their very own non-uniform day! Celebrate together and wear whatever you would like to (Date TBC). Make sure that your House is on your Sponsorship Form to be included in your 'House Pot'!

The children have missed playing on much of the old adventure playground equipment, some pieces are no longer in use. With your help, we can change that! All money raised from the Warrior Challenge will be invested directly back into renewing the equipment, ensuring this area can benefit our children for many years to come! Raise as much as you can. The more money this event makes, the more items we can buy!

In line with Covid-Guidelines, we cannot allow parents come on the field to watch this year. However we are blessed with a wonderful "viewing gallery" alongside the field. We will let everyone know timings for the year groups nearer the time. **We ask politely that, if you would like to come and cheer the children on, you respect social distancing and wear a mask. It is a public path and so access is needed at all times.** Thank you for your understanding.

More information to follow soon.

Kind Regards,

Laura Smallpage and the FOBL Team
