

# Year 4 Newsletter

Spring 1

January 2022

Welcome back to another fun packed and exciting term.

Our topic this term is 'What's the Matter?', which is very Science based.

Our English, however, focuses on dilemma, the children will have 'Journey to Jo'burg' read to them which deals with Apartheid and equal rules for all, creating lots of class discussions.

We are having a focus on Times Tables, where we shall be giving dedicated times through the week.

Finally...

If you have any questions please contact your child's class teacher who would be happy to help.

Best wishes

Year 4 Team

## COMING UP...

These are the topics we will be covering in the next few weeks...

|                             |   |
