Sports Squads

There are many sports events throughout the year that Bracken Leas participate in competing against the cluster schools. Some competitions are qualifying rounds for entry to compete at district and county level. Last year we were Tag Rugby County champions! Teachers will be organising squads for these events as they come up through the year and will run training sessions in the two weeks prior to events so that children are ready. There will be open trials for different events and children will be notified if they are selected for squad training.

Fee Payable Clubs with external providers will run as usual

We are also fortunate to offer a range of clubs run by external providers who are specialist coaches in their field. These will continue to run as normal but new members are always welcome. Please make contact with the relevant provider for more information. We have spare forms in the school office for Terry Goode's clubs.
